**Abortionists**

Romans 6:23

Our Lord - maker of heaven and earth, provider of the very breath in our lungs - rescue the abortionists and teams involved in the taking of innocent lives. Work a miracle in their lives so they see truth and run to the cross of mercy. Be with them, provide strength and bravery to stand up for the precious lives they encounter each day.

**Thank You for Your  
redeeming love.**

**Church Awakening**

Romans 1:16a

Heavenly Father, wake up Your body of believers. Embolden pastors to energize their congregations and be faithful in the calling, to open their arms to our broken communities, and live out the Gospel daily. Help us to become a house of refuge, not a den of judgement. Help us to engage and unify to help women, men, and babies find care and find You.

**Thank You for Your  
transformational love.**

God, we praise You for working through Choices to save 320 lives this fiscal year. You raised up an incredible team of medical, staff, and volunteers who woke up each morning and listened, loved, and served over 6,800 women.
